Re - Execution of the underground drainage work in the Kumara Park West Extension by Piece Work System

---

Adverting to Government Order No L 1344-7/M1 95-47-10 dated 10-8-1948 directing that the underground drainage work in the above extension be entrusted to Messrs M Coomara Swamy Pillay & Co , as ~~per~~ prosposed by this office at the rates accepted by them etc , I have the honour to state that Messrs M Coomara Swamy Pillay & Co , when called upon to start the work wrote in their letter No C/352/5 dated 30-8-1948 to say that they were unable to take up the work in view of the much increased Cost of materials and labour prevailing at present (Copy enclosed)

2 In this connection I invite kind reference to this office letter No G 79/48-49 dated 10-8-1948 reporting that Messrs Coomara Swamy Pillay and Co , had already intimated in their letter of 19-7-1948, their unwillingness to take up the work and requested the cancellation of their Tender in view of the increased cost of materials and labour etc

3 The Engineer Officer of the Board to whom this question was referred to, suggested that in view of the contractors hesitation to take up work on account of increased cost of materials and labour the work might be arranged to be

P T O

executed by piece work system adopting the lowest tender rates of Messrs M Coomara Swamy Pillay & Co , as approved in Government Order of 10-8-1948

4 This was placed before the Board at its meeting held on 7-9-1948 and the Board passed the following resolution -

> "Resolved that the proposal of the Engineer Officer to carry out underground drainage work in Kumara Park West Extension on piece work system at the rates quoted by Messrs M Coomara Swamy Pillay & Co , be approved and sanction of Government be obtained there to as an urgent measure "

5 In these circumstances I request that sanction of Government may kindly be obtained to the resolution of the Board and orders communicated at an early date to facilitate the Board to take up the work on piece work system as an urgent measure

Favour of very early orders is requested

Yours faithfully,

C R Navaratnam

Re, Providing Under Ground Drainage to the Western Portion of Kumara Park Extension

---

We thank you for your Memo No 755-6/48-9 dated 27-8-48 We regret to state that we are unable to take up the above work as per our Tender of 15-3-1948 for reasons already submitted in our letter No C/233/5 dated 19th July 1948, addressed to the Engineer Officer, City Improve ent Trust Board, Bangalore City, a copy of which is enclosed herewith for your kind information and ready reference In accordance with our request contained in the letter, our Tender of 26-6-1947 for the other work of 'Extending the Out-fall from the Septic Tank of Malleswaram to the Valley beyond Magadi Road', was cancelled and the tender deposit refunded We request that this Tender also may kindly be cancelled in view of the much increased cost of materials and labour prevailing at present

Thanking you in anticipation,

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE

Read -

Government Order No L 12617-23/M1 143-46-2 dated 15th March 1941 sanctioning the formation of the Kumara Park West Extension at an estimated cost of Rs. three lakhs

2 Correspondence ending with letter No G 374/47 dated 20th April 1948 from the Chairman, City Improvement Trust Board, Bangalore, requesting sanction to entrust the underground drainage work in the Kumara Park West Extension referred to in the Government Order read above, to Messrs Coomaraswamy Pillai and Co., at a cost of Rs 87,612/-

ORDER NO L 1344-7/M1 95-47-10

Dated, Bangalore 10th August 1948

As stated that in response to the tenders called for, for laying underground drains in the Kumara Park West Extension, only one tender from Sri A R Doraswamiengar was received, the amount of the tender being Rs 1,00,352/- which exceeded the original sanctioned estimate by 39% or by Rs 28,000/- and that the Trust Board have therefore decided that, instead of re-tendering for the work, the contractor might be sent for and asked if he was willing to execute the work at 25% above the estimated rates and that if he was not so willing, enquiries might be made if any other contractor was prepared to undertake the work at 25% above the estimated rates

In accordance with the decision of the Trust Board, the Engineer Officer of the Trust Board is said to have enquired of the contractor Sri A R Doraswamiengar who declined to take up the work for anything below his tendered rates Among the contractors sent for, two of them namely Messrs Arumugam Nagarathnam and M Coomaraswamy Pillai are reported to have agreed to take up all the items of work at 25% above the estimated rates, except item No 4 (a)- Removing rock by blasting with gun-powder

P T O

and stacking and 4(b) - Removing rock by chiselling and stacking, in respect of which items, the rate quoted by Mr Arumugam Nagarathnam was Rs.18 and Rs 20/- as against Rs 10/- and Rs 16/- quoted by Messrs M Coomaraswamy Pillai & Co , respectively The question was again considered by the Board at the meeting held on 28th February 1948 when it was resolved that the rates tendered by Messrs Coomaraswamy Pillai and Co , be accepted and the work given to him after obtaining the sanction of Government thereto

The Chairman, therefore, requests sanction to the above proposal of the Board and adds that the total cost as per rates tendered by this ~~xx~~ firm amounts to Rs 87,612/- involving an excess of 31% above the estimates The rates quoted are said to compare very favourably with the present Public Works Department schedule of rates for 1947-48

In the circumstances, Government are pleased to direct that the work in question be entrusted to Messrs Coomaraswamy Pillai and Co , as proposed by the Trust Board, at the rates accepted bythe Necessary earnest deposit should be taken from the Contractors before the work is entrusted to them
